The following items, stated to be due to the Municipality in the accounts for the year 1878 have not been included in the receipts for 1879, and have been entirely omitted from this account; viz.:-

|                                                              | £    | s. d. |
|--------------------------------------------------------------|------|-------|
| Police Rates unaccounted for by the late Council Clerk ..... | 98   | 0 9   |
| Municipal Rates ditto.....                                   | 31   | 15 0  |
| Cash in hands of ditto .....                                 | 1    | 1 8   |
|                                                              | £130 | 17 5  |

The Warden explains that the amount cannot now be recovered, as the bond given by the late Council Clerk had been allowed to lapse. In other respects the account is correct.

W. LOVETT, Colonial Auditor.

## MEMO.

Audit Office, Hobart Town, 28th August, 1880.

On examining the Accounts of the Municipality of Green Ponds I found that the under-mentioned items, as shown in the list of outstandings for 1878, have been entirely omitted from the Accounts for the year 1879; viz.—

|                                                                     | £ s. d.          |
|---------------------------------------------------------------------|------------------|
| Police Rates, 1878, unaccounted for by the late Council Clerk ..... | 98 0 9           |
| Municipal ditto, ditto .....                                        | 31 15 0          |
| Cash in the hands of ditto .....                                    | 1 1 8            |
|                                                                     | <u>£130 17 5</u> |

thus entailing a considerable loss upon the Municipality.

Upon drawing the attention of the Warden to this large discrepancy in the rates for 1878, he informed me that, in consequence of the late Council Clerk's bond having lapsed, the above amount is irrecoverable.

On passing the Accounts for 1879 I have therefore attached only a qualified certificate to the above effect.

The Hon. the Colonial Treasurer.

W. LOVETT, *Colonial Auditor.*

THE Green Ponds subsidy account for the year 1879 shows that the Municipality is entitled to the following amounts:—

|                               | £ s. d.          |
|-------------------------------|------------------|
| In Aid of Police.....         | 476 11 2         |
| In Aid of Municipal Fund..... | 12 4 6           |
| Total .....                   | <u>£488 15 8</u> |

No part of this sum has yet been paid over to the Municipality. I am led to understand that the money is much required; and if the requirements of the Audit Department have been fully satisfied, I propose to pay the whole of the subsidy for 1879 without further delay.

The Auditor.

W. R. GIBLIN, *Colonial Treasurer.*  
 13. 9. 80.

WITH the exception of the circumstance named in the Auditor's Memo. of the 28th August, the accounts are satisfactory.

The Hon. the Colonial Treasurer.

W. LOVETT, *Audit Office,*

JAMES LORD, JUN. } *Councillors.*

Audit Office, 25th August, 1880.

SIR, I HAVE the honor to inform you that in consequence of the Council Clerk of the Oatlands Municipality having delayed to furnish certain information required respecting the Accounts for the year 1879, and an unusually large number of Rates having been stated by him to have been uncollected on 31st December, it was thought necessary to inspect his Accounts to date. I therefore proceeded to Oatlands for that purpose on the 23rd instant, and regret to have to report the discovery of a serious defalcation, the particulars of which are given in the enclosed copy of a letter written and forwarded to the Warden.

I have the honor to be,  
Sir,

Your most obedient Servant,

W. LOVETT, Colonial Auditor.

The Hon. the Colonial Treasurer.

Oatlands, 24th August, 1880.

SIR, HAVING for the last two days investigated the Accounts of your Council Clerk to this date, I regret to inform you that there is a very serious deficiency in his cash amounting to £235 12s. 4d., as per statement annexed.

The loose manner in which the Account Books and Record Books have been kept and allowed to fall into arrear is very discreditable: for instance, I found that the Council Clerk's Cash Book had not been entered up since the year 1875, the Treasurer's Cash Book since the 31st December, 1879; that the Receipt Book for Police Rates had not been used in every case for giving Receipts of Rates, and was therefore useless for the purposes of checking these receipts; that the Court of General Sessions Book and the Magisterial Fees and Fines Book were kept in a very slovenly manner, in many instances the cases not being properly recorded.

In consequence of these irregularities the statement referred to had to some extent to be made up, especially with regard to Police Rates, from information verbally given by Mr. M'Pherson; whereas if proper precautions had been taken to keep in order the books and documents introduced by the Government for keeping the Municipal Accounts, the information would have been available from the usual records so provided.

Your attention is requested to the large arrears of Rates stated to be outstanding; viz.—on account of 1878, £81 4s. 5d.; and on account of 1879, £124 15s. 9d.

Hoping that immediate steps will be taken to correct these irregularities,

I have the honor to be,  
Sir,

Your obedient Servant,

W. LOVETT, Colonial Auditor.

ALFRED PILLINGER, Esq., Warden, Municipality Oatlands.

Audit Office, 1st October, 1880.

SIR,  
I HAVE the honor to inform you that, upon examining the Accounts of the Municipality of Richmond for the year 1879, a serious deficiency was discovered in the Council Clerk's cash amounting to £339 16s. This was at once reported to the Warden (see letter and statement enclosed), who has since informed me that the deficiency has been made up, and that the Council Clerk, Mr. H. Burbury, had been dismissed.

I regret that by accident this report has not been forwarded before this date.

I have the honor to be,  
Sir,  
Your most obedient Servant,  
W. LOVETT, Colonial Auditor.

The Hon. the Colonial Treasurer.

Audit Office, 7th June, 1880.

MY DEAR SIR,

I HEREWITH forward a statement of Account of your Municipality for the year 1879, made from the books and vouchers forwarded, which, I believe, is substantially correct; although from the state in which the books, &c. were in there is some liability of error: however, Mr. Burbury, who attended at this office to-day, is prepared to accept the statement.

I also forward a Memorandum of comparison between the balance of the Municipal Account and the balance by the Bank Book, which I regret discloses a deficiency of Three hundred and thirty-nine pounds sixteen shillings (£339 16s.). This amount would have to be paid into the Bank, or an arrangement made by some responsible person for its liquidation, within a reasonable period to enable me to certify to the annual account.

I noticed when at Richmond that neither the Council Clerk's Cash Book nor the Treasurer's Cash Book had been entered up since the year 1878. This irregularity should not have been permitted, and I hope that immediate steps will be taken to complete the entries, and to secure the due record of all receipts on account of the Municipality for the future.

I may add that I took the opportunity of Mr. Burbury's attendance to impress upon him the very great risk he has run by his improper conduct.

Yours very truly,

W. LOVETT.

W. C. SIMMONS, Esq., Warden, Richmond.
