 - (b) Tasmanian exports are booming, having exceeded \$4 billion for the first time in August 2021.
- (4) Recognises that the significant investment in the recent State Budget will continue to support our economic and community recovery as we emerge from the COVID-19 pandemic to secure Tasmania's future. (12 October 2021)

- (2) Congratulates all category entrants, the organiser the Department of State Growth, and the Awards Partner TasPorts, with 11 award categories which represent Tasmania's leaders in overseas exports based on their levels of success and ingenuity.
- (3) Further notes that many of the 2021 winners are from regional Tasmania and with a majority of the awards being accepted by leading businesswomen.
- (4) Congratulates all of the 2021 winners:—
 - (a) Advanced Technologies – Lightening Protection International;
 - (b) Agribusiness Food and Beverages – Tasmanian Oyster Co.;

41 Ms *O'Byrne* to move—That the House:—

 - (c) the Old Nick Company have said his 'legacy is nothing short of extraordinary'; and

43 Ms *O'Connor* to move—That the House has no confidence in the Minister for Resources for the following reasons:—

- (1) On 10 August 2021, the Minister approved a mining lease application made by Chinese State-owned company, MMG Australia, over 5 kilometres of Helilog Road and an area of rainforest near Rosebery.
- (2) MMG Australia's application specified its purpose as mining for gravel.
- (3) The company's intention for the area subject to the Minister's approval was not to mine gravel.
- (4) MMG was undertaking testing works for its plan to pump mine tailings across the Pieman River into a cleared rainforest gully off Helilog Road.
- (5) The application approved by the Minister had the effect of preventing public access to public land in Takayna, including beekeeping sites and the Forest Walk tourist site.
- (6) Between early May and late July, prior to the Minister's mining lease approval for MMG, 71 peaceful protestors were arrested under dubious charges. They were people of all ages and from across the Tasmanian community, who stood up to defend the Tarkine's rainforest.
- (7) On 27 August, the Minister received a formal request from Bob Brown Foundation to provide a statement of reasons for granting this mining permit.
- (8) On 24 September, the Minister replied in writing that he was not empowered to make this decision, and that therefore, there had been no valid grant of the mining lease.

NOTICES OF MOTION AND ORDERS

- (9) In his apparent haste to prevent peaceful protest on the site, the Minister signed an approval in breach of the *Mineral Resources Development Act (1995)*, an Act he administers.
- (10) The Minister broke the law, a fact that would not have come to light but for the Bob Brown Foundation.
- (11) After his lawlessness that worked to advantage a foreign-owned multinational corporation was exposed, the Minister refused to admit he had broken the law, and sought to mislead Tasmanians by blaming a “lodgement error” on the part of the applicant, and an “oversight” on the part of Mineral Resources Tasmania.
- (12) This explanation defies credibility.
- (13) The Minister’s public statement did not address his involvement in this matter, and ignore one of the fundamental principles of the Westminster system of government – that a Minister doesn’t blame others, but holds responsibility for their decisions.
- (14) Minister Barnett’s conduct in this matter again brings his competence and integrity into question.
- (15) Since being elevated to Cabinet, Minister Barnett has shown no respect for transparency, has degraded accountability mechanisms through his constant misleading and obfuscation, and worked against the public, and the planet’s, interests.
- (16) Across portfolios, Minister Barnett has long track record of secrecy, misleading Tasmanians, and enacting highly questionable decisions, and it’s well past time for Parliament to finally hold him accountable.
- (17) He is unfit to be a Minister of the Crown. (12 October 2021)

44 The Minister for Energy and Emissions Reductions to move—That the House:—

- (1) Recognises Entura’s Spatial and Data Services Team has received top accolades at the 2021 Asia-Pacific Spatial Excellence Awards for their work on Hydro Tasmania’s ‘Battery of the Nation’ initiative.
- (2) Notes that:—
 - (a) the team won the Spatial Industries Business Association and Geospatial Information & Technology Association (SIBA/GITA) Award for Spatial Enablement;
 - (b) the team has been involved in ‘Battery of the Nation’ since its inception, using spatial tools and technologies to support the initiative through pre-feasibility, feasibility and project design stages;
 - (c) ‘Battery of the Nation’ aims to harness Tasmania’s hydropower through new pumped hydro development, optimising existing assets and redeveloping the Tarraleah hydropower scheme;
 - (d) alongside further interconnection through Marinus Link, this will enable Tasmania to play a significant role in the National Electricity Market and support Tasmania’s accelerating renewable energy transition. (13 October 2021)

45 The Minister for Veterans’ Affairs to move—That the House:—

- (1) Recognises that Veterans’ Health Week is being held from 16 October – 24 October 2021.
- (2) Notes that:—
 - (a) the Week—an annual national week—raises awareness of, improving health and wellbeing for former and current serving Australian Defence Force personnel, their families and carers; and
 - (b) the Week also highlights the key role played by the Federal Department of Veterans’ Affairs, ex-serving organisations and community groups in supporting our veterans and ex-serving personnel.
- (3) Acknowledges that:—
 - (a) the theme for Veterans’ Health Week in 2021 is ‘Get Moving’—a reflection of the impact that physical activity has on health and wellbeing; and
 - (b) support provided by the Tasmanian Liberal Government to Tasmania’s more than 10,500 veterans and ex-serving personnel, which includes more than \$1.4 million in additional funding over the next four years.
- (4) Encourages Tasmanians, particularly our veterans and ex-serving personnel, to participate in events and support mental wellness. (13 October 2021)
