Notices of Motion

364 Ms O'Byrne to move—That the House:—

- (1) Notes that 28 September 2020 is International Safe Abortion Day.
- (2) Recognises Tasmanian women are entitled to full access to reproductive health services.
- (3) Further notes that international research has found that jurisdictions where terminations are difficult to access are associated with higher maternal mortality and unsafe abortion rates, and barriers to abortion access in Australia particularly affect young women, rural women and women of low socio economic status.
- (4) Further notes that regional access and cost remain significant barriers to access in Tasmania.
- (5) Further notes that the Government committed in the Parliament to facilitating a standalone facility that would be operational by November 2018.
- (6) Further notes that the aforementioned facility is still not available.
- (7) Further notes that Tasmania's response to termination access should not be based on the good will of a handful of doctors.
- (8) Calls upon the Minister for Health, Hon. Sarah Courtney MP, to act immediately to ensure women are not forced to leave the State to access surgical termination or required to access financial assistance in order to afford a termination.
- (9) Further calls upon the Minister for Health to provide State-wide access to terminations in the public hospital system, under all circumstances in which terminations are permitted by law, in accordance with Clause 4 and 5 of the Reproductive Health (Access to Terminations) Act 2013.
- (10) Directs the Minister for Health to report to the House on the implementation of this service. (24 September 2020)

366 Mr Ellis to move—That the House:—

- (1) Commends the Morrison Federal Liberal Government on its 2020-21 Federal Budget, delivered on 6 October 2020 by the Federal Treasurer the Hon. Josh Frydenberg MP, which will rebuild the economy, create jobs, and secure Australia's future.
- (2) Acknowledges that, in the face of the massive impacts of the COVID-19 pandemic, the 2020-21 Federal Budget will provide real benefits to support Tasmanian workers, families, businesses and communities.
- (3) Notes that the 2020-21 Federal Budget includes:—
 - (a) significant personal tax relief measures;
 - (b) tax incentives and concessions for businesses;
 - (c) substantial support for new apprentices and trainees;
 - (d) more transport, water and energy infrastructure project funding; and

NOTICES OF MOTION AND ORDERS

(e) support payments for aged and disability pensioners and other vulnerable Tasmanians.

- (4) Recognises that the partnership between the Federal and State Liberal Governments, including the 2020-21 Federal Budget, continues to deliver strong benefits for Tasmania. (13 October 2020)

367 Ms *White* to move—That the House:—

- (1) Expresses concern at reports that at-risk Tasmanian children in the Brahminy program in the Northern Territory have been mistreated.
- (2) Recognises the allegations have been raised by former participants in the program, as well as the families of current participants who want their children to be brought home.
- (3) Notes allegations that Allan Brahminy is not who he claims to be, including evidence that he concocted a story about being abandoned as a child and adopted by an Aboriginal family.
- (4) Calls on the Liberal Government to bring the children home from Brahminy immediately. (13 October 2020)

368 Ms *O'Connor* to move—That the House:—

- (1) Notes Tasmania is the only State still sending children on care and protection orders to the Brahminy program, at a cost of \$5000 per week.
- (2) Recognises that reliable witnesses have produced compelling evidence that Allen Brahminy has fabricated a background story.
- (3) Further notes that participants in the program have alleged mistreatment, and it is alleged that communications with families are monitored to deter raising complaints.
- (4) Further recognises this style of ‘tough love’ program is decades out of date and not conducive to current understanding of behavioural therapy.
- (5) Acknowledges that Section 10G of the Children, Young Persons and Their Families Act 1997 requires the placement of an Aboriginal child, as far as practicable, with a member of the child’s family or in accordance with local community practice.
- (6) Further recognises with concern that the Commissioner for Children and Young People has no jurisdiction to monitor out-of-state programs.
- (7) Agrees there is no justification for sending children and young people to the Brahminy program.
- (8) Calls on the Minister for Human Services, Hon. Roger Jaensch MP to bring these children home, and to investigate any and all allegations of misconduct or maltreatment by this program.
- (9) Further calls on the Gutwein Government to establish and fund a culturally appropriate bush therapy program based in Tasmania for at risk young people in the out of home care system. (13 October 2020)

369 Dr *Broad* to move—That the House:—

- (1) Notes the Minister for Primary Industries and Water, Hon. Guy Barnett MP failed to protect the \$400m Tasmanian potato industry by approving imports from South Australia without consultation with the industry.
- (2) Further notes that Minister Barnett’s own review revealed that the original decision did not adequately reduce the risks of the Tasmanian industry being devastated by mutated strains of Potato Virus Y.
- (3) Further notes that Minister Barnett’s own review revealed that the original import decision did not require South Australian potatoes to be grown from disease free certified seed.
- (4) Further notes that Minister Barnett’s own review highlighted that the potato Import Risk Assessment was out of date.
- (5) Further notes that despite Minister Barnett defending the original decision his own review highlighted flaws in the import approval leading to a further review of the program audit and verification process.
- (6) Further notes that labelling imported potato packages with a “do not plant” notice is not going to eliminate disease risk though planting or disposal of South Australian potatoes.
- (7) Condemns the Minister for Primary Industries and Water for not putting Tasmanian potato growers first. (13 October 2020)

370 Ms *Standen* to move—That the House:—

- (1) Notes that Anti-Poverty Week is being held 11-17 October 2020 supporting:—
 - (a) affordable housing for all as the best solution to reducing poverty and partnering with the 'Everybody's Home' campaign, and
 - (b) adequate income support through the 'Raise the Rate' campaign.
- (2) Acknowledges more than 80,000 Tasmanians live below the poverty line, and the Australia Institute estimates that temporary income support measures lifted 4,000 Tasmanian children out of poverty.
- (3) Recognises according to Foodbank's Hunger Report 2020 demand for food relief has doubled from 15% to 31% of Australians experiencing food insecurity seeking food relief at least once a week.
- (4) Further acknowledges short-term stimulus funding for food relief in Tasmania has been exhausted.
- (5) Further notes there is a maintenance backlog in Tasmanian social housing estimated at \$60 million and that every dollar invested in building houses or repairing houses returns \$3 in the economy.
- (6) Condemns the Morrison Federal Government for failing to invest in adequate income support or social housing in its Federal Budget on 6 October 2020, missing an opportunity to tackle poverty, homelessness and housing affordability while creating and supporting jobs in building and construction.
- (7) Calls on the Gutwein Liberal Government to:—
 - (a) provide long-term funding security for food relief;
 - (b) set a target of 10% of all dwellings to be social and affordable housing; and
 - (c) allocate further funding for urgent repairs and maintenance to public housing, creating jobs in construction for tradespeople. (13 October 2020)

371 Ms *Standen* to move—That the House:—

- (1) Notes that World Homelessness Day on 10 October 2020 raised awareness globally and locally, and was a reminder that too many people are struggling to put a roof over their heads.
- (2) Recognises service providers are relying on outdated official data; Census 2016 showed that homelessness impacts more than 1,600 Tasmanians on any given night, especially young people and older women, and is not confined to our larger cities, with at least half the homeless population living in regional and rural areas.
- (3) Further notes that the most recent service usage data suggests homelessness is not only getting worse in Tasmania may have doubled since 2016 and shows there are 31 requests to shelters every day that go unassisted.
- (4) Agrees that housing ends homelessness, but the housing waitlist has increased 64% since the Liberal Government took office.
- (5) Further notes that in this term the Government has provided only short-term responses to address homelessness without a long-term plan.
- (6) Calls on the Liberal Government to:—
 - (a) adopt the recommendations of the Housing Affordability Select Committee report;
 - (b) provide long-term funding security for the Safe Night Space program to continue operations beyond end 2020;
 - (c) fund an extension of the Street2Home program in northern Tasmania; and
 - (d) outline a long-term plan for the extension of shelters.
- (7) Condemns the Minister for Housing, Hon. Roger Jaensch MP for failing to respond adequately to the deepening homelessness emergency. (13 October 2020)

NOTICES OF MOTION AND ORDERS

3 Right to Information Amendment Bill 2019 (No. 8 of 2019): Second reading. (Ms *Haddad*)

4 2019 Federal Election: Adjourned Debate on the Question proposed on Wednesday, 22 May 2019 by Mr *Shelton*—That the House:—

- (1) Congratulates Prime Minister Hon. Scott Morrison MP and the Federal Liberal Party for the outstanding result in the Australian Federal election held on 18 May 2019.
- (2) Further congratulates, subject to final confirmation, the election of Tasmanian Federal Liberal representatives in both the Senate and the House of Representatives.
- (3) Notes the strong relationship between the Hodgman and Morrison Governments, working together to deliver a stronger economy, real investment in infrastructure and better health and education services for all Tasmanians. (Next Speaker: Dr *Woodruff*)

5 Battery of the Nation: Adjourned Debate on the Question proposed on Wednesday, 31 July 2019 by Mrs *Rylah*—That the House:—

- (1) Notes Tasmania has the renewable and dispatchable energy the rest of the nation needs, and the Hodgman Liberal Government is committed to using this advantage to ensure all Tasmanians benefit.
- (2) Records this Governments continuing drive for the development of the Battery of the Nation and the crucial second interconnector, the Marinus project, which have the potential to inject up to \$5 billion into the Tasmanian economy and deliver 2,000 jobs, particularly into regional areas.
- (3) Further notes that the development stage of the first phase of the Battery of the Nation carries the commitment of the Federal Government through the Federal Underwriting New Generation Investment program.
- (4) Further notes that support by both the Hodgman Liberal Government and the Federal Government, gives UPC Renewables and AC energy, more confidence to develop their Robbins Island and Jims Plain wind and solar parks.
- (5) Recognises that Tasmania has a world-class wind resource complemented by our pumped hydro that means there will always be some electricity available for export when the mainland is experiencing low wind or high demand.
- (6) Acknowledges that the Australian Government clearly recognises the importance of Tasmania's energy solutions and our status as the leading energy state.
- (7) Commends the Hodgman Liberal Government for its strong commitment to making use of the natural resources available to the State while at the same time ensuring all Tasmanians will have access to low cost, reliable and clean energy in their homes and businesses.

To which the following amendment has been proposed by Dr *Woodruff*, by leaving out all words after "That the House:—" and inserting instead:

- “(1) Notes that the Liberals repeatedly talk about the Marinus project and use it as a political wedge, particularly during election periods, despite the fact that they have not put forward a financing proposal or a position on who should finance the multi-billion project.
- (2) Agrees that the project could cost in excess of current total Public Non-Financial Corporations Sector debt, and feasibility studies and prominent economists such as Saul Eslake have raised serious concerns about the viability of the project, which have not been addressed by the State Government.
- (3) Notes that the Liberals passed legislation to set wholesale electricity prices at a rate higher than projected, leading to energy bills decreasing by less than they would otherwise would have.
- (4) Notes with alarm that the Liberal Government continues to allow Entura to engage in profiteering from immoral projects overseas such as the Karuma hydro power project Uganda, which has been linked to killings and other human rights violations.
- (5) Condemns the Liberal Government for their lack of honesty, ethics or plan in their handling of the Energy portfolio.” (Next Speaker: Minister for Energy)

NOTICES OF MOTION AND ORDERS

- (3) Supports the introduction of minimum mandatory sentences for serious sexual offences against children. (Next Speaker: The Attorney-General)

7 Housing and Homelessness: Adjourned Debate on the Question proposed on Thursday, 8 August 2019 by the Minister for Housing—That the House:—

- (1) Acknowledges the dedicated work that is being done every day in the community and housing sectors to support Tasmanians experiencing homelessness or who are at risk of homelessness.
- (2) Further acknowledges that homelessness is often linked to other challenges such as mental illness, and the Tasmanian Government is focusing on the integration of mental health services to provide more holistic support and greater independence for clients.
- (3) Further acknowledges that Tasmania's Affordable Housing Strategy is responding to the current challenges in the housing market by boosting supply across a spectrum of needs.
- (4) Further acknowledges that the Affordable Housing Action Plan Stage 2 and the additional investment in funding is another positive step towards continuing this momentum.
- (5) Recognises that all levels of government have a role to play in addressing the supply and demand in our housing market.
- (6) Call on all Members to work together to put the needs of Tasmanians above political point scoring. (Next Speaker: Minister for Housing)

- (1) Acknowledges that the Hodgman majority Liberal Government has a long-term plan to keep our economy strong, carefully manage the Budget, help create jobs, and invest even more in essential services.
- (2) Notes that, at the State election in March 2018, Tasmanians saw the progress that had been made in delivering our plan, across our State, in four years under a majority Liberal Government, and they supported it again.
- (3) Recognises that a vital part of the plan was to first and foremost, restore business confidence and strengthen our economy.
- (4) Further notes that Tasmania's businesses are now measured as the most confident in the nation, that Tasmania has the best business conditions in the nation and that Tasmanian small businesses are the powerhouse of our economy.
