

FACT SHEET

Appropriation (Supplementary Appropriation for 2022-23) Bill 2022

- A Supplementary Appropriation of \$163.4 million is sought from the Public Account to provide funding for the expenditure of the new housing authority, Homes Tasmania, for the period to 30 June 2023.
- An operating services appropriation will be made to Finance-General for the purpose of making a grant contribution to Homes Tasmania for the continuation of a range of housing capital programs and for salary and non-salary costs to support the provision of housing assistance programs.
- The additional appropriation is equivalent to the balance of the original 2022-23 appropriation made to the Housing Services output in the Department of Communities Tasmania as part of the 2022-23 Budget, and the balance of the original 2022-23 capital services appropriation provided to the Department of Communities Tasmania in the 2022-23 Budget.
- Table I provides a summary of the Supplementary Appropriation to be applied to Finance-General.
