

**Legislative Council Select Committee
Estimates 'B'**

7 June 2023

The Hon Guy Barnett MP
Minister for Energy and Renewables
Level 5, Salamanca Building
4 Salamanca Place
HOBART TAS 7000

Dear Minister,

The Committee resolved at today's meeting that I write to you in relation to evidence provided at Monday's Estimates Hearings regarding the portfolio area of Energy and Renewables in response to a media release from TasCOSS.

The Committee noted the TasCOSS Media Release dated 7 June 2023 whereby TasCOSS CEO Adrienne Piconne has accused you of "misleading" this Committee in relation to your responses provided around increasing energy costs, debts and concessions - see media release [here](#).

In response to this media release, the Committee requests clarification be provided on this matter.

The Committee looks forward to hearing from you.

Yours sincerely,
