Launceston and Western Railway, 1st February, 1867.

The foregoing list comprises 2288 shares of £20 each, representing a sum of £45,760. A number of Colonists have communicated their intention to subscribe, and some of the above to increase their subscription, when the Bill becomes law.

In consequence of the uncertainty with regard to the Bill, the Provisional Directors ceased to offer shares for sale in April last.

W. S. BUTTON, *Chairman of Provisional Directors.*
