(FIRST SESSION OF THE FORTY-NINTH PARLIAMENT)

NOTICES OF MOTION AND ORDERS OF THE DAY

No. 32

THURSDAY, 1 NOVEMBER 2018

(At 11.00 o'clock am)

NOTICES OF QUESTION

7 Mr *Dean* to ask the Honourable the Leader of the Government — The 2018 Tasmanian Building and Construction Industry Training Board Heritage Skills Report noted that the State must nurture well-trained heritage tradespeople to maintain its 5000 heritage buildings and structures that are so important to the State's social, cultural, environmental and economic future. Will the Leader advise:

- (1) Does the Government accept the findings of the report, in particular the need for well-trained heritage tradespeople and the economic value to the State of our heritage buildings and structures?
- (2) What is the current number of "well-trained" heritage tradespeople in the State?
- (3) Do we have sufficient tradespeople in this area?
- (4) If not, what is being done to increase the number of tradespeople in the State with the required skills to undertake heritage maintenance?
- (5) Has the Government considered the report?
- (6) If so, will the Government response/report be made public?
- (7) If not yet considered, when will the Government cover off on the report?

(asked 30.10.18)

8 Mr *Gaffney* to ask the Honourable the Leader of the Government — As detailed in correspondence from the Estimates process and Notices of Questions processes, the Government has stated that further consideration was given to all recommendations and findings outlined in the Future Gaming Markets (FGM) Committee Report, tabled in September 2017.

Recommendation 4 of the Future Gaming Markets Committee Report reads:

"The Government work actively with communities that are concerned with the density of Electronic Gaming Machines in their local area, to enable voluntary mechanisms to reduce the numbers of EGMs".

Since the tabling of the Future Gaming Markets (FGM) Committee Report can the Leader advise:

- (1) In its consideration of the recommendations, did the Government agree or disagree with Recommendation Four?
- (2) Since the tabling of the Inquiry Report, which communities (if any) has the Government had discussions with to reduce the EGMs in their local area?

- (3) When, where and who was present at these meetings, to consider Recommendation 4?
- (4) What were the outcomes of those deliberations?
- (5) What further processes need to be undertaken to address Recommendation 4?
- (6) What is the Government's strategy to decrease the number of EGMs in areas where there is a disproportionate proliferation?
(asked 30.10.18)

9 Mr Gaffney to ask the Honourable the Leader of the Government —

- (1) What is the relationship between the Strathdevon Hydrotherapy Pool (SHP) in Latrobe and the State Government/DHHS?
- (2) Are there any arrangements or a service relationship between the SHP and the DHHS including funding and referral guidelines to health professionals?
- (3) What are the Government's plans for the hydrotherapy service in Latrobe (utilising the Strathdevon Hydrotherapy Pool)?
- (4) How does the Strathdevon Hydrotherapy Pool report back to the DHHS? Are there any reporting requirements between SHP and the Government?
- (5) How many clients have used the pool since its reopening and what are the age groups, needs and attributes of the client groups?
- (6) How many times (on average) do clients access the hydrotherapy pool?
- (7) What is the process for clients to obtain access to the Strathdevon Hydrotherapy Pool?
- (8) Why have DHHS and private clients who have previously utilised the Strathdevon Hydrotherapy Pool been advised that they should go to 'Splash' (Devonport Aquatic Centre, run by private company Belgravia Leisure) for their therapy?
- (9) Has there been a change in guidelines or a directive from DHHS regarding the referral to and utilisation of hydrotherapy pools at Strathdevon, and across the state?
