

FOREST MANAGEMENT (CONSEQUENTIAL AMENDMENTS) BILL 2013

CLAUSE NOTES

Clause 1 Short title and citation.

Clause 2 The Act commences on a day to be proclaimed.

Clause 3 This clause provides that amendments to regulations, rules or by-laws by the Act can still be amended or rescinded.

This clarifies that amendments made to regulations or by-laws in this Act can be amended or rescinded in the future by regulations, by-laws or rules.

Without this clarifying provision there may be restrictions to amend regulations covered by this Act should a need arise to do so at sometime in the future.

Clause 4 This provides for the repeal of this Act within one year from the day on which it commences.

This ensures that once the amendments made to the legislation in Schedule 1 are incorporated into that legislation this Act can be repealed automatically.

Clause 5 This clause enables the legislation in Schedule 1 to be amended as set out in the Schedule.
