Subject: Greyhound racing practices

Dear Madam Secretary

It is with concern that I write this submission. The standard practice and suffering incurred in the greyhound racing industry, one driven by profits and as exposed by the professional 4 Corners investigative journalists, are not good enough. Change needs to occur.

These following points are for your consideration for much needed change

(a) practices in the Tasmanian greyhound racing industry, including whether live baiting, 'wastage' and 'draining' of greyhounds is occurring, and if so, to what extent;

(b) the role of regulatory authorities in upholding animal welfare standards in the industry and encouraging best practice;

Yours sincerely,
Joanne Cowen
