Subject: Submission to the Joint Select Committee on Future Gaming Markets

Dear Members of the Committee, There are too many people in our State who are addicted to Poker machines and gambling. There are too many people suffering with family breakups, poverty, abuse and homelessness through this addiction. I ask the Government to move on this issue and remove the source of these problems and to offer counselling and help to those who are affected in such distressing ways. It is very grievous to me to see the our State Government relying heavily on the proceeds of gambling and poker machines to run this beautiful State. Yours sincerely, Mary Wright
