

TASMANIA

HOUSE OF ASSEMBLY

SESSION OF 2022 - 2023

(THIRD SESSION OF THE FIFTIETH PARLIAMENT)

NOTICES OF MOTION AND ORDERS OF THE DAY

No. 57

TUESDAY, 26 SEPTEMBER 2023

(At 9:30 a.m.)

Notices of Motion tabled prior to 13 September are published in the Motion Paper:

Notices of Motion

182 Ms *White* to move—That the House:—

- (1) Notes the Tasmanian Liberal Government has created and overseen a housing crisis in Tasmania, with the housing waiting list doubling over the past 10 years, wait times quadrupling, rents soaring and home ownership rates declining.
- (2) Further notes the Premier, Hon. Jeremy Rockliff MP, and his Government deliberately misled Tasmanians about its 2022-23 housing ‘delivery’ by claiming 132 homes as ‘new supply’ when they were in fact purchased off the private market, making no net impact on housing supply in Tasmania.
- (3) Further notes:—
 - (a) that 81 of the homes purchased by Homes Tasmania are already tenanted, and 70 of these are occupied by people whose rents are subsidised and therefore cannot afford to rent a home on the private market; and
 - (b) Homes Tasmania has said these tenancies are only “guaranteed for the length of a tenant’s current lease or for the next 12 months, whichever comes first.”
- (4) Agrees the Premier and his Government have therefore spent tens of millions of dollars for no net increase in the supply of housing, and also put 81 families at risk of homelessness, in a failed attempt to artificially inflate their social housing delivery statistics.
- (5) Censures the Premier, the Hon. Jeremy Rockliff MP, for his role as the person ultimately responsible for this scandal. (13 September 2023)

183 Ms *White* to move—That so much of Standing Orders be suspended as would prevent Notice of Motion No. 182 from being debated forthwith. (13 September 2023)

- (1) Expresses its sincere, heartfelt condolences to family members, friends and colleagues of the 201 Tasmanians who have died with Covid since the start of the pandemic.
- (2) Recognises these Tasmanians were loved and valued members of their families and communities, whose lives were tragically cut short.
- (3) Acknowledges with sadness:—
 - (a) 188 of these preventable deaths have been recorded since 15 December 2021, when Omicron arrived in Tasmania; and
 - (b) the thousands of Tasmanians who suffer from or at risk of disabling, long-term health consequences from Covid infection or reinfection.
- (4) Further recognises the removal of mandated protections, necessary to reduce mass Covid infections, has severely restricted the lives of many vulnerable Tasmanians, including the elderly and clinically vulnerable, and people with disability.
- (5) Accepts the scientific evidence that SARS-Cov 2 is an airborne pathogen with potentially fatal consequences and well understood, debilitating impacts on immune function.
- (6) Notes with real concern stagnating vaccination and booster rates, particularly amongst children and young people.
- (7) Agrees the trajectory of Australian Governments' Covid management, which facilitates constant reinfection, is untenable for individual and population health, as well as social and economic wellbeing.
- (8) Resolves to work cooperatively to educate, promote and model increased vaccination and booster uptake, indoor mask wearing and ventilation.
- (9) Calls on the Government to prevent further disabling illness and loss of life, and urgently adopt evidence-based policies, practices and communications that better protect Tasmanians from Covid. (Next Speaker: Dr *Woodruff*)
