related specifically to each
workplace. It was agreed the
Manager Premier and Ministerial
Services would stand down and
engage separately, noting there will
be occasions in the future when both
workplaces may need to meet
together.
To assist with the organisational
structure review, the MRPT has
considered Members' surveys
conducted in other parliaments.
Given the purpose and timeline for
the review, MRPT designed a brief
satisfaction survey to gauge simply
whether Members are satisfied with
services provided across various areas
within Parliament, with options to
provide comments. The Committee
resolved to endorse this approach. A
more comprehensive survey designed
to elicit nuanced information will be
considered later in the project when
implementing Motion for Respect
recommendations related to
measuring change.
On 1 November 2023, a Members'
satisfaction survey was conducted at
Parliament. The survey results

suggested overall satisfaction with
services, but with some areas
requiring attention. Results were

During November, WRA consulted
with parliamentary staff including the
Legislature-General managers to
learn more about these teams and
the role they play in supporting the
parliament. Consultation meetings
also took place with Clerks and
Presiding Officers.
MRPT continues to liase with WRA to
ensure WRA has all necessary
information to progress the review in
accordance with the project
timelines, as well as research and
other tasks related to this
recommendation.
On 13 <sup>th</sup> and 14 <sup>th</sup> December 2023,
WRA held a co-design workshop with
the PRG, Sergeant-at-Arms and the
Usher of the Black Rod.
