

Lions Club Clarence and Meals on Wheels – Accommodation

Ms BROWN question to MINISTER for HOUSING and PLANNING

The Lions Club Clarence and Meals on Wheels currently operate out of 10 Binalong Road, Mornington and have done so for a few years. Meals on Wheels currently services 300 people on the eastern shore down to Dunalley. These charities are an invaluable resource. Due to Homes Tasmania acquiring the land, the Lions Club and Meals on Wheels are being evicted on 31 December 2024. Are you aware that your department is evicting two well-established and essential charities with nowhere to go? If so, what are you doing to find appropriate accommodation for them?
