BATHURST-STREET.

Presented by Mr. Douglas, and ordered by the House to be printed, 26 March, 1857.

*The Honorable the Speaker and Members of the House of Assembly
in Parliament assembled.*

The Petition of certain Landholders, Shopkeepers, and Householders of Launceston,
in Tasmania.

RESPECTFULLY SHOWETH:

THAT, during the sitting of the late Legislative Council, an Act was passed whereby a part of Bathurst-street, Launceston, was portioned off and converted into a prison-yard, by which means all thoroughfare was effectually cut off with the adjacent part of the Town.

That, in consequence of such blocking up of Bathurst-street, the inhabitants of that neighbourhood, both landholders and householders, have suffered great injury by the depreciation in the value of their property, and consequent loss of trade.

That Bathurst-street is one of the principal inlets of the Town leading from the main line of road to the water-side.

Your Petitioners therefore humbly pray that your Honorable House will take their case into your favourable consideration, and by law cause the said street to be restored to its original condition.

And your Petitioners, as in duty bound, will ever pray.

Launceston, 4th February, 1857.
