Chief Secretary's Office, 11th October, 1889.

THE Honorable the Minister of Lands and Works is requested to enable the Chief Secretary to comply with the subjoined Order of the House of Assembly.

B. TRAVERS SOLLY.

The Honorable the Minister of Lands and Works.

Ordered, That there be laid on the Table of the House all Correspondence between the Government and the Formby Water Trust, with reference to water supply. (*Mr. Dooley.*)

There is no correspondence on this subject in either the Lands, Mines, or Public Works Office; but the Minister thinks it probable all the papers will be with Mr. Mault.

The Under Secretary.

Has the Secretary to the Central Board of Health any correspondence as is referred to in this Order of the House of Assembly?

B. TRAVERS SOLLY.

There is no correspondence with the Town Board of Formby on the subject of water supply, except on matters of detail, such as water analysis and levels, which I suppose are not required.

A. MAULT, *Secretary Central Board of Health.*
