

(No. 152.)

1887.

PARLIAMENT OF TASMANIA.

DR. TURNLEY'S PENSION.

Return to an Order of the House of Assembly. (Dr. Crowther.)

Laid on the Table by the Minister of Lands, and ordered by the House of
Assembly to be printed, December 15, 1887.

Chief Secretary's Office, Hobart, 13th December, 1887.

SIR,

I HAVE the honor to request that you will be good enough to supply a copy of the Medical Certificate furnished by you subsequent to your application for 12 months' leave of absence, as contained in your letter of the 25th June, 1884, and in compliance with the terms of Mr. Douglas's letter of the 23rd December of that year.

The original Certificate appears to have been unfortunately mislaid, or I would not now trouble you with this request.

I have, &c.

B. TRAVERS SOLLY.

G. W. TURNLEY, *Esquire, 15, Davey-street.*

Hobart, 14th December, 1887.

SIR,

I BEG to acknowledge the receipt of your letter of yesterday's date, requesting me "to supply a copy of the Medical Certificate furnished by me subsequent to my application for twelve months' leave of absence, as contained in my letter of the 25th June, 1884, and in compliance with the terms of Mr. Douglas's letter of the 23rd of December of that year."

I regret to say that I am unable to comply with your request, as I did not keep a copy of that Certificate.

I was examined by Dr. Giblin, and the Certificate which he gave me (testifying to the very great deterioration of my health, my inability from this cause to perform efficiently the onerous duties connected with my office, and the consequent necessity for rest) I transmitted to the Office of the Hon. the Chief Secretary.

I have, &c.

GEORGE TURNLEY.

B. TRAVERS SOLLY, *Esquire, Assistant Chief Secretary.*

Hobart, 14th December, 1887.

DEAR SIR,

Dr. Turnley has called upon me asking for a copy of the Certificate I gave in reference to his health prior to his obtaining leave of absence. I regret that I have kept no copy; but the gist of it was that Dr. Turnley was suffering from general ill-health, with varicose condition of veins of legs, requiring rest. He was quite unfitted to continue the multifarious duties attached to his office.

Yours faithfully,

EDWARD O. GIBLIN, *M.D.*

B. TRAVERS SOLLY, *Esquire.*
