TASMANIA.

HOUSE OF ASSEMBLY.

**VALUATION OF PROPERTY, HOBART TOWN
AND LAUNCESTON.**

REPORT OF THE COMMISSIONERS.

Laid upon the Table by the Attorney-General, and ordered by the House to be
printed, August 10, 1875.

Hobart Town, 7th June, 1875.

SIR,

HAVING completed our surveys of properties in the City of Hobart Town and the Town of Launceston, we have the honor to forward to you the new Valuation Rolls thereof, which have been prepared under our instructions and supervision.

We have endeavoured to ascertain in every case what rent the properties produce; and have generally, except where held under peculiar conditions, taken such amount to be a "reasonable rent" in accordance with the terms of the Act, under the provisions of which we have been working.

It will be seen that we have made an increase in the total value of properties situate in Hobart Town, of £5811. This sum, however, is caused partly by the addition of a good many properties not in the Corporation Roll—as, for instance, Market Places and other Municipal Buildings, Sunday Schools, &c., amounting to £2729.

In Launceston the increase amounts to £5149, and arises, in some degree, from similar additions, but principally from the properties having been under-rated in the Corporation Roll.

We desire to express our sense of the highly satisfactory manner in which the clerical work has been performed by Mr. Toby and Mr. George Boyes, and the ready assistance they have uniformly afforded us in our tedious and somewhat laborious work.

We have the honor to be,
Sir,

Your obedient Servants,

HENRY HUNTER, } *Commissioners.*
H. DOWLING, }

The Hon. the Colonial Secretary.
