Inquiry into Blueberry Rust in Tasmania

Terms of Reference

To inquire into and report upon the outbreaks of blueberry rust in Tasmania with particular reference to —

1. The actions taken by Biosecurity Tasmania to address the 2014 and 2016 outbreaks of blueberry rust;
2. Past and present regulatory requirements relating to the blueberry industry in Tasmania;
3. The future of Tasmania’s blueberry industry, including the impacts of previous, current and any future outbreaks of blueberry rust;
4. The capacity of Biosecurity Tasmania to manage blueberry rust outbreaks and other risks into the future; and
5. Any other matters incidental thereto.
