Dear Committee on Firearms Legislation and Policy,

I am writing to you to express my concerns about the possibility of any relaxation of the Tasmanian gun laws. The current gun laws have worked very well these last years. They currently adequately protect the Tasmanian public; any relaxation of these laws will increase the risk of gun violence in Tasmania. I have studied the proposed changes that have been put forward. I can see no public benefit; I can see an increase in risk. This cannot be good for the whole community of Tasmania. I urge the Committee to recommend no changes to Tasmania's Gun Laws.

regards,

Prem Saraswati
