Dear Sir

I am writing in regard to the New
Midlands Highway at Woodbury

With the proposed wire rope down the middle
and the edge of the road we are going to have great
difficulty in getting into our property Woodbury House
with Machinery and trucks as we use Alans Coopers
entrance and a big gate at the moment for large
Machinery

IF the gateway we currently use is taken out we
will not be able to get in as the Ramp is not wide
enough

I have taken notice of the Highway Further
South and I have seen a few places where G Turns
have been put in place

I believe we could have one of these put in a
few hundred metres South of the existing entry
I look forward to meeting some one on site to
have a look at our proposal

Yours Sincerely

Gravin Nicholas
