Dear Rosalie Woodruff MP

I admire your commitment to trying to fix this problem.

Nothing will come out of this whilst you have morrones in Government that put a stupid football stadium ahead of the well been of the

Tasmanian people .

I've twice had to call on the ambulance to rush me to hospital with excruciating pain

The first time I had to wait almost 5 hours we are in the Huon Valley this happened in the early hours on a Monday evening. The second time was just as bad.

We have lived in Tassie for 12yrs and it's time to go can't put up withe the lack of services.

Good Luck

Kind Regards
