Subject: Speaking the truth should not lead to penalties
Date: Friday, 23 August 2024 7:22:21 PM

Dear Inquiry into Discrimination and Bullying in Tasmanian Schools,

Activists who claim that this inquiry is anti-bullying should not conceal the real issue. The promotion of gender ideology in Tasmanian schools is causing more bullying and discrimination. This ideology goes against biological facts and devalues scientific knowledge. School policies should acknowledge biological realities and shield individuals from ideological pressures. Biological sex is unchangeable and no one should be punished for telling the truth.

Sincerely,

[REDACTED]

**House of Assembly Government Administration Committee A
Inquiry into Discrimination and Bullying in Tasmanian Schools**
