R E T U R N O F, T O 1ST F E B R U A R Y, 1873.

Laid upon the Table by the Colonial Treasurer, and ordered by the House to be printed, June 17, 1873.

RETURN of Sheep in Tasmania in the several Municipal and Police Districts up to the 1st February, 1873, showing the number for which Clean Certificates have been granted; the number for which renewed Licences have been issued for six months from the 1st November, 1872; the number reported by the owners to be clean and for which they have applied for a Clean Certificate; and the number for which the owners have not made an application for a Clean Certificate or made any report of the condition of their Sheep to the Inspectors.

The numbers in each Class will embrace the increase of 1872. The numbers given in the Returns are mostly those of last year's, with a few exceptions where the inspections and issue of Clean Certificates have been of very recent date.

Ninety per cent. of the Sheep for which Clean Certificates have been applied for may be added to those now under Certificates, and about 50 per cent. of the number for which the owners have not applied for a Certificate of Cleanness.

JAMES WHYTE, *Chief Inspector of Sheep.*
1st February, 1873.

I. MIDLAND AND EASTERN SHEEP DISTRICT, embracing Campbell Town, Fingal, Glamorgan, and Ross.
