Dear Ms Hesford

Thank you for your letter of 6 December 2017 requesting further information in relation to your question:-

“Of the 1343 letters issued by the Department of State Growth to unregistered vehicles, how many went to vehicles that should have been registered by the Government?”

I advise that for the 2016-2017 financial year, the Automated Number Plate Recognition (ANPR) captured 223 580 vehicles. Of the 1 343 vehicles that were unregistered at the time of capture, none were vehicles that were registered to the Government.

I trust that this information is of assistance.

Yours sincerely

Hon M.T. (Rene) Hidding MP
Minister for Infrastructure
