I love footy and I am strongly supportive of a Tasmanian AFL team. But a Tasmanian AFL team should not be linked to a \$750 million stadium. Bellerive/Blundstone is perfectly fine and right-sized for the crowds that we could expect at AFL games in Tasmania.

There are many things more deserving of \$750 million in government funding in Tasmania, including:

- Education: all levels from primary to tertiary and vocational
- Health care
- Affordable housing
- Climate mitigation and adaptation

I am strongly opposed to any public money being spent on a new stadium.

Regards

Pete
