

Tasmania Police – Number of Recent Recruits

Mr BEHRAKIS question to MINISTER for POLICE, FIRE and EMERGENCY MANAGEMENT

A constituent in my local community welcomes the fact that 15 new constables have joined the Tasmania Police ranks today, with the recruit course 5/2024 officially graduating. I understand officers will be hitting the beat in Glenorchy and Hobart as well as Launceston, Devonport, Burnie and Bridgewater. You have indicated that we are continuing to recruit record levels of police to protect our communities. Can you please provide a further breakdown of how many officers have been recruited in Glenorchy over the last five years?
