FIRE BRIGADE BOARD, LAUNCESTON :

REPORT FOR 1886.

---

Presented to both Houses of Parliament by His Excellency's Command.

*REPORT of the Launceston Fire Brigade Board for the Year 1886.*

---

*To His Excellency the Honorable SIR WILLIAM LAMBERT DOBSON,  
Knight, Administrator of the Government of Tasmania.*

MAY IT PLEASE YOUR EXCELLENCY.

IN pursuance of "The Fire Brigades Act," 47 Vict. No 21, this Board has the honor to report as follows:—

*Brigade Staff.*

1. The Brigade Staff, which consists of Superintendent, Deputy, and twenty-five Firemen, has shown commendable activity when called upon. The necessity for reducing the expense having been made known, the Staff voluntarily suggested a course which enabled the Board to retain their services in full at a lessened cost.

*Plant.*

2. This is reported by the Superintendent to be in good working order, and efficient for ordinary emergencies. No important additions have been made to it during the past year.

*Building.*

3. The Board desire to repeat the regret previously expressed, that the Government has not seen fit to introduce to Parliament the question of purchasing the Fire Tower,—a measure which, from the inception of the Board, they were led to expect would be brought forward.

*Fires.*

4. The Brigade has attended during the year 13 fires and 14 alarms, particulars in regard to which appear in the accompanying Report.

*Expenditure.*

5. The past year's net expenditure has amounted to £560 4s. 2d., being a reduction of £153 6s. on that for the previous year.

*Meetings.*

6. The Board has met in ordinary and Committee meetings twelve times.

H. WEEDON, *Chairman.*
