HOUSE OF ASSEMBLY.

COUNCIL OF EDUCATION:

REPORT FOR 1878.

Laid upon the Table by the Colonial Secretary, and ordered by the House to be printed, September 9, 1879.

ANNUAL REPORT of the TASMANIAN COUNCIL OF EDUCATION for the Year 1878-9.

To His Excellency FREDERICK ALOYSIUS WELD, Esquire, Companion of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief in and over the Island of Tasmania and its Dependencies.

MAY IT PLEASE YOUR EXCELLENCY.

1. In conformity with the provisions of "The Tasmanian Council of Education and Scholarship Act," we have the honor to submit this our Nineteenth Report of the proceedings of the Council from the 1st May, 1878, to the 30th April, 1879. 22Vict. No. 21,
Section 30.

2. The Hon. J. W. Agnew was elected President for the year ending 30th June, 1879. President.

3. We caused an Examination of Candidates for the Council of Education Exhibitions to be held in the month of June, 1878. Seven Students presented themselves for examination; and, on the recommendation of the Examiners, Exhibitions of the annual value of £20 each for four years were awarded to Thomas George Stanton Crouch, pupil of Mr. Ireland, Collegiate School, Hobart Town, and James Harcourt Smith, pupil of the Rev. W. H. Savigny, M.A., Church Grammar School, Launceston. Three others obtained a standard of marks sufficient to entitle them to an Exhibition. Council of
Education
Exhibitions,
Gazette
Notice, 25th
June, 1878.

The Examiners in closing their Report observe:—

"The results of the Examination do not compare favourably with those of last year, and of some previous years. The number of candidates was smaller than usual, and the attainments of the foremost are not so high as on some former occasions. The number of competitors, however, has fluctuated, and few boys now offer themselves for examination except those who are likely to acquit themselves creditably, and who have at least some chance of winning an Exhibition. The boys who have been examined this year have, on the whole, done very well; and we notice with satisfaction that the boy who obtained only the lowest place at the last year's Examination, has won for himself the highest place in the competition of the present year. His industry and perseverance are, in our opinion, very commendable and exemplary."

4. The nineteenth examination for the Degree of Associate of Arts was held in October, 1877; the Rev. J. E. Bromby, D.D., Melbourne, being Examiner in English, Latin, Greek, Pure Mathematics, and Natural Philosophy; the Hon. F. S. Dobson, M.A., LL.D., Examiner in French and German; Professor Charles H. Pearson, M.A., Ladies' College, Melbourne, Examiner in Italian; and Mr. Henry Hunter, Examiner in Drawing. Eighteen Candidates under nineteen years of age presented themselves; all passed the Preliminary Examination, and sixteen succeeded in obtaining the Degree: eight being placed in the First Class, seven in the Second Class, and one in third Class. Degree of
Associate of
Arts, Gazette
Notice, 29th
October, 1878.

5. One Candidate over nineteen years of age presented himself for examination, and succeeded in obtaining a Third Class Degree.

6. William Parkin Goddard, as Senior Associate of the year, received the Council's Gold Medal, and First Prize for Mathematics, and a Prize for Natural Philosophy. To Frederick Lodge, who was placed in the First Class, were awarded First Prizes for English, Latin, and Greek. To Charles Ernest Webster, who was also placed in the First Class, was awarded Second Prize for Mathematics. To Mary Friend Whitney Canaway, who was also placed in the First Class, were awarded First Prizes for English and Italian. To Marion Louisa MacMillan were awarded First Prizes for French and German. To Edward Reginald Nicolson, who was also placed in the First Class, was awarded the Second Prize for Greek. To Thomas Richard Marsden, who was placed in the Second Class, was awarded a Second Prize for French.

The Examiners in their Report observe:—

"The following Table shows how this Examination bears comparison with former years:—

	No. of Candidates.	Rejected at Preliminary.	Admitted to A. A. Examination.	Passed.	First Classes.	Second Classes.	Third Classes.	Highest Marks obtained.	Average of all who passed.	Highest Marks yet gained.	Highest Average yet reached.
