*To the Honorable the Members of the Legislative Council, in Parliament assembled.*

The humble Petition of the undersigned Inhabitants of West Devon,

RESPECTFULLY SHEWETH :

THAT, in the opinion of your humble Petitioners, Vaccination is not proved to have a preventive or modifying influence upon Small-pox, whilst it has been proved to be a vehicle for the spread of many dangerous and loathsome diseases. Your Petitioners humbly and respectfully pray that your Honorable House will be pleased to concur with the other branch of the Legislature in repealing the Compulsory Clauses of the Vaccination Act.

And your Petitioners, as in duty bound, will ever pray.
