SESSION II.

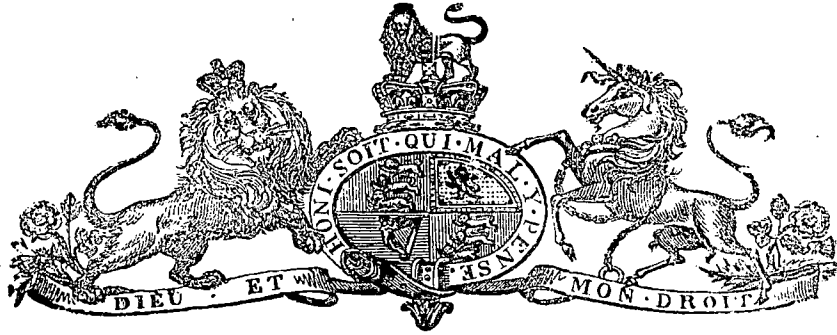

T A S M A N I A.

LEGISLATIVE COUNCIL.

GLENORA RAILWAY:

PETITION FROM SMALL LANDHOLDERS OF HAMILTON.

Presented by Mr. Gellibrand, December 18, and ordered by the Council to be printed, December 19, 1883.

The Honorable the President and the Honorable Members of the Legislative Council.

The Petition of the undersigned,

RESPECTFULLY SHEWETH :

THAT your Petitioners have been informed that objection has been raised to the construction of the proposed Line of Railway through the Valley of the Derwent beyond Glenora, on the alleged ground that such extension of this Railway would be beneficial only to two or three proprietors of large areas of land.

That your Petitioners feel assured that your Honorable House will be desirous to be placed in possession of such full and accurate information as will facilitate a fair and equitable decision upon this important question.

That your Petitioners, therefore, hereto append their names, as residents in the District of Hamilton, and occupiers of small areas of land, comprising less than 1000 acres each.

That many of your Petitioners have recently applied for, and are now residing upon small selections of land on the north of the Ouse and on the western bank of the Derwent ; and that your Petitioners, being well acquainted with the character of the country surrounding them, can confidently state that there is a very large area of Crown Land in the Hamilton District suitable for agricultural purposes, which will certainly be selected and settled upon within a very short time after the consent of the Legislature has been given to the construction of a Railway into the District.

And your Petitioners will ever pray, &c.
