Notices of Motion

329 Mr *Street* to move—That the House:—

- (1) Acknowledges that the COVID-19 pandemic emergency has had a significant effect on employment levels in Tasmania.
- (2) Recognises that, as public leaders, we have a responsibility to do everything we can to support job creation and job security for Tasmanians and to help Tasmania rebuild and recover from the pandemic emergency.
- (3) Notes the Government's approach to investigate local build options for the next Spirit of Tasmania vessels and to look at any ways to maximise Tasmanian jobs and utilise Tasmanian businesses in their replacement.
- (4) Further notes the support for this approach from the Tasmanian Chamber of Commerce and Industry, and the Tasmanian branch of the Australian Manufacturing Workers Union (AMWU), as well as the significant interest from major Tasmanian and Australian shipbuilders.
- (5) Further notes the recent public comments from Tasmanian Labor Senator Helen Polley: "The Federal Government, State Governments and businesses should all collectively seek to reset supply chains to source from local manufacturers to a partial extent if not completely."
- (6) Urges the Parliament to support Tasmanian businesses, job creation and job security for Tasmanians. (25 August 2020)

330 The Minister for Veterans' Affairs to move—That the House:—

- (1) Recognises that Legacy Week is being held from 30 August to 5 September 2020.
- (2) Notes that Legacy Week, first held in 1942, is the annual national appeal of Legacy Australia, an iconic national charity providing services to Australian families suffering after the incapacitation or death of a spouse or parent, during or after their defence force service.
- (3) Further notes that funds raised during Legacy Week go to helping Legacy care for around 52,000 Australians, including 787 widows and 19 children in southern Tasmania and 875 widows and 17 children across northern Tasmania.
- (4) Further notes that funds raised assist Legacy in providing essential services including counselling, special housing, medical, advocacy and social support to Australian families and also help assist the education and development of the children of our deceased veterans.
- (5) Acknowledges that Legacy Australia grew out of the Remembrance Club, formed in Hobart in 1923 by First World War hero, Tasmanian Major-General Sir John Gellibrand KCB DSO and Bar—something Tasmanians can be proud of.
- (6) Congratulates the staff, Legatees and volunteers of Legacy—including the President of Legacy (Hobart), Mr Rob Grey, Friends of Hobart Legacy and the President of

NOTICES OF MOTION AND ORDERS

Legacy (Launceston), Mr Russell Hogarth—for their tireless efforts in supporting the families of our incapacitated and deceased veterans.

- (7) Encourages Tasmanians to dig deep and support this important work. (25 August 2020)

331 The Minister for Primary Industries and Water to move—That the House:—

- (1) Recognises that the Tasmanian Abalone Council CEO, Dean Lisson, stepped down at the end of last week, on 21 August 2020.
- (2) Acknowledges Dean Lisson for his 26 years of loyal and dedicated service as CEO and former President of the Council.
- (3) Notes Tasmania's abalone fishery is the world's largest abalone resource, supplying over 25 per cent of total annual global production of wild caught product.
- (4) Further notes the Tasmanian abalone industry had a gross food value of just over \$90 million in 2017-18, with \$85 million of that exported.
- (5) Joins with me in thanking Mr Lisson for his service, covering over a quarter of a century. (25 August 2020)

333 Ms O'Connor to move—That the House:—

- (1) Understands many Tasmanians have been hit hard by the economic impact of COVID-19, and are already in dire financial straits.
- (2) Recognises these financial circumstances will only get harder after 30 September 2020, when the Morrison Government cuts JobKeeper and JobSeeker payments.
- (3) Further recognises the vital role residential rental protections have played in providing stability and support for thousands of Tasmanian tenants.
- (4) Notes these protections are due to expire on 30 September 2020.
- (5) Acknowledges the prospect of simultaneous cuts to income support and end to rental protections is frightening and extremely stressful for many Tasmanians, with some tenants already being threatened with a choice of eviction or increased rent.
- (6) Urges the Premier, Hon. Peter Gutwein MP to use the next National Cabinet meeting to advocate for the JobKeeper and JobSeeker payments to continue at their current rate beyond 30 September 2020.
- (7) Calls on the Premier to extend all residential rental protections until 31 December 2020. (25 August 2020)

334 The Minister for Health to move—That the House:—

- (1) Recognises the recent Women in Resources Tasmania Awards for 2020, held at Peppers Silo Hotel on the 30 July 2020.
- (2) Notes the awards were in their seventh year, and are coordinated by the Tasmanian Minerals, Manufacturing and Energy Council (TMEC) in conjunction with the Australian Institute of Mining and Metallurgy (AusIMM) Women in Mining Network Tasmania (WIMnet), to create awareness of inspirational women working in resources and encourages other women to pursue careers in these Tasmanian industries.
- (3) Congratulates the following 2020 Women in Resources Tasmania Awards recipients:—

335 The Minister for Health to move—That the House:—

- (1) Notes that the Minister for Health was pleased to launch the third annual Tassie Scallop Fiesta which took place between 19 - 23 August 2020 in Bridport.
- (2) Further notes that the Tassie Scallop Fiesta was created to mark the start of the commercial scallop fishing season and recognises Bridport's long history of seafaring and fishing in Tasmania's scallop industry.
- (3) Recognises that the event provides a uniquely Tasmanian festival experience that brings the community together to celebrate the regions quality food, wine and entertainment.
- (4) Further notes that the five day program of activities was well supported by the local community and included a Growers and Makers Market, Mariner's Muse tall and true tales from the high sea, wine master classes and a scallop pie making competition.
- (5) Commends the efforts of the Tassie Scallop Fiesta Director, Tony Scott, the organising committee and one hundred volunteers who worked incredibly hard to provide another outstanding event for the North-Eastern community.
- (6) Highlights that the Tassie Scallop Fiesta is one of the first significant regional events to be held since the COVID-19 pandemic began and congratulates the organisers on delivering a COVID safe event. (26 August 2020)

336 Ms *Butler* to move—That the House:—

- (1) Notes that under Australian Securities and Investments Commission (ASIC) consumer guidelines and Australian Prudential Regulation Authority (APRA) prudential regulations banks cannot take into consideration a grant that may not be approved. Therefore, lending institutions do not view the Home Builder Grant as a deposit.
- (2) Further notes unlike the First Home Owners Grant, the Home Builder Grant goes to the individual Grant applicant not the lending institution.
- (3) Further notes lending institutions do not consider the Home Builder Grant as part of a deposit unless the applicant already has significant savings.
- (4) Recognises that this is an inhibitor to the Home Builder Grant Schemes intent, which is to provide confidence and stimulate the economy and the building and construction sector.
- (5) Further notes concerns raised by the banking sector and consumers indicate that the Home Builder Grant cannot be regarded as certain income when originating a loan. The Grant is considered as uncertain income by lending institutions.
- (6) Calls on the Government to address the disconnect between the Federal Government instrument and the Tasmanian State Revenue Office.
- (7) Further calls on the Government to ensure that Grant funding is provided directly to the Banks as security as is the case with the First Home Owners Grant. (26 August 2020)

Orders of the Day

2 Animal Welfare Reformation Bill (No. 38 of 2018): Second reading. (Ms *O'Connor*)

3 Right to Information Amendment Bill 2019 (No. 8 of 2019): Second reading. (Ms *Haddad*)

4 2019 Federal Election: Adjourned Debate on the Question proposed on Wednesday, 22 May 2019 by Mr *Shelton*—That the House:—

- (1) Congratulates Prime Minister Hon. Scott Morrison MP and the Federal Liberal Party for the outstanding result in the Australian Federal election held on 18 May 2019.

NOTICES OF MOTION AND ORDERS

- (2) Further congratulates, subject to final confirmation, the election of Tasmanian Federal Liberal representatives in both the Senate and the House of Representatives.
- (3) Notes the strong relationship between the Hodgman and Morrison Governments, working together to deliver a stronger economy, real investment in infrastructure and better health and education services for all Tasmanians. (Next Speaker: Dr *Woodruff*)

5 Battery of the Nation: Adjourned Debate on the Question proposed on Wednesday, 31 July 2019 by Mrs *Rylah*—That the House:—

- (1) Notes Tasmania has the renewable and dispatchable energy the rest of the nation needs, and the Hodgman Liberal Government is committed to using this advantage to ensure all Tasmanians benefit.
- (2) Records this Governments continuing drive for the development of the Battery of the Nation and the crucial second interconnector, the Marinus project, which have the potential to inject up to \$5 billion into the Tasmanian economy and deliver 2,000 jobs, particularly into regional areas.
- (3) Further notes that the development stage of the first phase of the Battery of the Nation carries the commitment of the Federal Government through the Federal Underwriting New Generation Investment program.
- (4) Further notes that support by both the Hodgman Liberal Government and the Federal Government, gives UPC Renewables and AC energy, more confidence to develop their Robbins Island and Jims Plain wind and solar parks.
- (5) Recognises that Tasmania has a world-class wind resource complemented by our pumped hydro that means there will always be some electricity available for export when the mainland is experiencing low wind or high demand.
- (6) Acknowledges that the Australian Government clearly recognises the importance of Tasmania's energy solutions and our status as the leading energy state.
- (7) Commends the Hodgman Liberal Government for its strong commitment to making use of the natural resources available to the State while at the same time ensuring all Tasmanians will have access to low cost, reliable and clean energy in their homes and businesses.

To which the following amendment has been proposed by Dr *Woodruff*, by leaving out all words after “That the House:-” and inserting instead:

- “(1) Notes that the Liberals repeatedly talk about the Marinus project and use it as a political wedge, particularly during election periods, despite the fact that they have not put forward a financing proposal or a position on who should finance the multi-billion project.
- (2) Agrees that the project could cost in excess of current total Public Non-Financial Corporations Sector debt, and feasibility studies and prominent economists such as Saul Eslake have raised serious concerns about the viability of the project, which have not been addressed by the State Government.
- (3) Notes that the Liberals passed legislation to set wholesale electricity prices at a rate higher than projected, leading to energy bills decreasing by less than they would otherwise would have.
- (4) Notes with alarm that the Liberal Government continues to allow Entura to engage in profiteering from immoral projects overseas such as the Karuma hydro power project Uganda, which has been linked to killings and other human rights violations.
- (5) Condemns the Liberal Government for their lack of honesty, ethics or plan in their handling of the Energy portfolio.” (Next Speaker: Minister for Energy)

6 Minimum Mandatory Sentences: Adjourned Debate on the Question proposed on Wednesday, 7 August 2019 by Mr *Tucker*—That the House:—

- (1) Acknowledges the dedicated work that is being done every day in the community and housing sectors to support Tasmanians experiencing homelessness or who are at risk of homelessness.
- (2) Further acknowledges that homelessness is often linked to other challenges such as mental illness, and the Tasmanian Government is focusing on the integration of mental health services to provide more holistic support and greater independence for clients.
- (3) Further acknowledges that Tasmania's Affordable Housing Strategy is responding to the current challenges in the housing market by boosting supply across a spectrum of needs.
- (4) Further acknowledges that the Affordable Housing Action Plan Stage 2 and the additional investment in funding is another positive step towards continuing this momentum.
- (5) Recognises that all levels of government have a role to play in addressing the supply and demand in our housing market.
- (6) Call on all Members to work together to put the needs of Tasmanians above political point scoring. (Next Speaker: Minister for Housing)

8 Alcohol and Drug Dependency Repeal Bill 2019 (No. 40 of 2019): Second reading. (Minister for Mental Health and Wellbeing)

9 Economic Growth: Adjourned Debate on the Question proposed on Wednesday, 16 October 2019 by Mrs Rylah—That the House:—

- (1) Acknowledges that the Hodgman majority Liberal Government has a long-term plan to keep our economy strong, carefully manage the Budget, help create jobs, and invest even more in essential services.
- (2) Notes that, at the State election in March 2018, Tasmanians saw the progress that had been made in delivering our plan, across our State, in four years under a majority Liberal Government, and they supported it again.
- (3) Recognises that a vital part of the plan was to first and foremost, restore business confidence and strengthen our economy.
- (4) Further notes that Tasmania's businesses are now measured as the most confident in the nation, that Tasmania has the best business conditions in the nation and that Tasmanian small businesses are the powerhouse of our economy.
