Ms White to move—That the House:—

- (1) Has no confidence in the Minister for Health, Hon. Michael Ferguson MP.
- (2) Notes that Tasmania's health system has been underfunded by around \$100 million per year, as identified by 2017 RDME Consulting report titled 'An Analysis of Health Funding for the Tasmanian Health Service'.
- (3) Further notes the Minister's relationship with health professionals has broken down to the extent that they are now going around him to highlight issues of grave concern.
- (4) Acknowledges correspondence from Royal Hobart Hospital (RHH) Registrars, Ambulance Tasmania paramedics, the AMA and the ANMF all describe unacceptable and dangerous conditions for patients and employees in the health system.
- (5) Highlights the Minister's deliberately misleading statements regarding Child and Adolescent Mental Health facilities at the Royal Hobart Hospital and Launceston General Hospital (LGH).
- (6) Further notes that in the five years he has been Minister for Health, the State of Tasmania's health system has gotten worse and he is unfit to continue in the role.
- (7) Further notes the Report of the Auditor-General No. 11 of 2018-2019, Performance of Tasmania's four major hospitals in the delivery of the Emergency Department services.
- (8) Highlights with concern an increase in ambulances ramped for greater than 30 minutes since 2012-2013 of 239%, despite an increase in overall ambulance presentations of only 20% over the same period.
- (9) Further highlights with concern a significant downward trend in patients with a length of stay of less than four hours in the emergency department at all four major hospitals in Tasmania, noting that there is a wide body of research indicating that Emergency Department stays of greater than 4 hours are linked to higher rates of adverse events.
- (10) Further notes that the rate of emergency department adverse events has increased across all four major hospitals by around 60% during the period that he has been Minister for Health, and that adverse events are defined as an event or circumstance that could have, or did lead to, unintended or unexpected harm, loss or damage to any

person receiving care or services from health services, and can include avoidable deaths.

- (11) Points out with concern that mental health patients are languishing for more than seven days in the emergency departments and that while they are waiting for a bed they psychologically deteriorate, self-harm and attempt suicide.
- (12) Reminds Members that the Minister delayed the Royal Hobart Hospital redevelopment by a year, and has now confirmed a further delay to completion of Stage 1 of the redevelopment.
- (13) Further notes the Minister continues to deny women access to legal reproductive health services in the public health system.
- (14) Further notes that this House has voted to establish health roundtables with key stakeholders and all sides of politics to examine solutions to the health crisis, and that the Minister for Health has done nothing to progress those cross-party efforts and has deliberately ignored the will of this House.
- (15) Further reminds Members that ministerial responsibility is a fundamental tenet of Westminster democracy that means ministers must take ultimate responsibility for failures in their portfolios.
- (16) Further notes that the Minister has demonstrated through his lack of action a complete disregard for the health of Tasmanians and for the wellbeing of his health workforce, and that Tasmanians should not be expected to suffer the consequences of his incompetence any longer. (11 June 2019)
