Notices of Motion

286 Ms *O'Connor* to move—That the House calls upon either the Honourable Member for Franklin, Hon. Nic Street MP, or the Honourable Member for Lyons, Hon. John Tucker MP, to resign from the Parliamentary Standing Committee on Subordinate Legislation to cause a vacancy that may be filled by the Honourable Member for Clark, Hon. Cassy O'Connor MP. (6 May 2020)

287 Ms *O'Connor* to move—That the House:—

- (1) Notes Tasmania's public forests belong to the people of Tasmania.
- (2) Acknowledges the leatherwood tree is found nowhere else in the world but Tasmania.
- (3) Recognises as the climate heats, vegetation dries out and fire becomes more prevalent in the landscape, with burnt rainforest or wet sclerophyll areas regenerating as dry sclerophyll.
- (4) Understands that the 2019 bushfires caused significant loss of leatherwood, severely impacting Tasmanian honey producers.
- (5) Further acknowledges that as a result of those bushfires, Sustainable Timber Tasmania (STT) signed an Memorandum of Understanding with beekeepers to protect significant leatherwood coupes from logging.
- (6) Further notes that Smithton apiarist, Rodney Smith, has had his honey resource and ongoing income impacted by the logging in coupe ME008B, which has continued despite the MOU signed by STT.
- (7) Accepts that for the leatherwood honey industry to continue in warming climate and drying landscape, it needs the support of government and access to a secure, standing leatherwood forest resource.
- (8) Calls on the Minister for Resources and Primary Industries to not only recommit to the MOU with beekeepers to protect Tasmania's finite and dwindling leatherwood resource, but expand that to include an agreement not to burn logged coupes that contain any leatherwood. (6 May 2020)

288 Mrs *Rylah* to move—That the House:—

- (1) Notes COVID-19 has dramatically affected the lives of Tasmanians, particularly in Braddon, through the quarantining of thousands of people, the deaths of 13 Tasmanians and the impact on retail business, tourism and hospitality, borders as well as from home isolation and the effects of social distancing.
- (2) Recognises the high level of compliance by Tasmanians to the 'stay home and save lives' message and the commitment and support for frontline workers including the ADF/Ausmat teams brought to Burnie to enable the deep clean of the two hospitals, re-establishment of services and delivery during the furlough of hospital staff.

NOTICES OF MOTION AND ORDERS

- (3) Thanks all frontline workers for their contributions to the care and recovery of the State during these times but especially those who took on extra workloads as a result of the closures of the NW hospitals.
- (4) Acknowledges the Tasmanian Liberal Governments' focus on whole-of-state recovery including the steadfast and measured approach to managing the medical effects of COVID-19 along with the foresight to prime Tasmania for its economic resurgence.
- (5) Further notes the Governments emphasis on a return to economic prosperity by supporting a considered hibernation plan and rebuild.
- (6) Congratulates the Premier Hon. Peter Gutwein MP and the Liberal Government on their strength in leadership, decisive early response to issues and taking expert Tasmanian-specific advice. (6 May 2020)

289 The Minister for Health to move—That the House:—

- (1) Notes that the International Day of the Midwife was held on 5 March 2020, which recognises and celebrates the important role midwives play and the essential care they provide in our community.
- (2) Further notes the 2020 theme is 'celebrate, demonstrate, mobilise and unite', which focuses on how midwives and women can partner together to mobilise and unite toward a shared goal of gender equality.
- (3) Acknowledges the vital and important work that midwives deliver every day, particularly the significant role they have in improving the health and wellbeing of Tasmanian women.
- (4) Recognises that the celebration is even more significant in 2020 as the World Health Organisation has designated 2020 as the International Year of the Nurse and the Midwife.
- (5) Highlights the International Confederation of Midwives has called on Midwives to become gender champions within their communities and to become stronger partners with women, as protectors and defenders of women's rights.
- (6) Thanks all Tasmanian midwives for their dedication and commitment to Tasmanian women and the community at large. (6 May 2020)

290 The Minister for Health to move—That the House:—

- (1) Recognises that Neighbourhood House Week is being held over 8 - 15 May 2020, with the 2020 theme focussing on Loneliness: the solution is community.
- (2) Notes that one in four Australians are lonely, and this is even higher in some age groups. As humans we thrive on social connection and companionship, when we don't receive this regularly we become lonely and this can have a negative impact on our mental health, physical health and overall happiness and sense of purpose in the world.
- (3) Further notes a quarter of Australians feel lonely on a regular basis, and similar statistics are being found across the world with experts now calling it the "loneliness epidemic".
- (4) Acknowledges the work that Neighbourhood Houses and Centres do across Australia, providing safe, welcoming and inclusive spaces for people of all ages and backgrounds to connect with communities, form friendships and become involved in community projects, programs and groups.
- (5) Encourages people who are feeling lonely or isolated to get in touch with your nearby Neighbourhood House or Centre, to have a friendly chat and see how you can get involved in the programs that are offered. (6 May 2020)

291 The Minister for Health to move—That the House:—

- (1) Pays tribute to Neil Grose, the outgoing Executive Officer for the Launceston Chamber of Commerce.
- (2) Recognises the significant contribution Neil has made during his tenure, with his extensive business knowledge as well as his strong relationship building skills that have strengthened the Launceston business community.
- (3) Acknowledges that under Neil's proactive and innovative leadership the Launceston Chamber of Commerce has successfully delivered important projects and campaigns that have benefited the city of Launceston in areas such as design quality in the built environment, inner city living, population attraction and skilled migration.

NOTICES OF MOTION AND ORDERS

- (4) Further acknowledges the significant contribution Neil has made towards promoting strong economic growth including his contribution to the Launceston City Deal and through his role as Chairman of the Community and Business Advisory Group.
- (5) Thanks and congratulates Neil for his dedication to the Launceston Chamber of Commerce and Launceston business community over the past 3 years, and wish him well in his new role as Manager of Business and Economic Recovery at the Meander Valley Council. (6 May 2020)

4 2019 Federal Election: Adjourned Debate on the Question proposed on Wednesday, 22 May 2019 by Mr *Shelton*—That the House:—

- (1) Congratulates Prime Minister Hon. Scott Morrison MP and the Federal Liberal Party for the outstanding result in the Australian Federal election held on 18 May 2019.
- (2) Further congratulates, subject to final confirmation, the election of Tasmanian Federal Liberal representatives in both the Senate and the House of Representatives.
- (3) Notes the strong relationship between the Hodgman and Morrison Governments, working together to deliver a stronger economy, real investment in infrastructure and better health and education services for all Tasmanians. (Next Speaker: Dr *Woodruff*)

5 Battery of the Nation: Adjourned Debate on the Question proposed on Wednesday, 31 July 2019 by Mrs *Rylah*—That the House:—

- (1) Notes Tasmania has the renewable and dispatchable energy the rest of the nation needs, and the Hodgman Liberal Government is committed to using this advantage to ensure all Tasmanians benefit.
- (2) Records this Governments continuing drive for the development of the Battery of the Nation and the crucial second interconnector, the Marinus project, which have the potential to inject up to \$5 billion into the Tasmanian economy and deliver 2,000 jobs, particularly into regional areas.
- (3) Further notes that the development stage of the first phase of the Battery of the Nation carries the commitment of the Federal Government through the Federal Underwriting New Generation Investment program.
- (4) Further notes that support by both the Hodgman Liberal Government and the Federal Government, gives UPC Renewables and AC energy, more confidence to develop their Robbins Island and Jims Plain wind and solar parks.
- (5) Recognises that Tasmania has a world-class wind resource complemented by our pumped hydro that means there will always be some electricity available for export when the mainland is experiencing low wind or high demand.
- (6) Acknowledges that the Australian Government clearly recognises the importance of Tasmania's energy solutions and our status as the leading energy state.
- (7) Commends the Hodgman Liberal Government for its strong commitment to making use of the natural resources available to the State while at the same time ensuring all Tasmanians will have access to low cost, reliable and clean energy in their homes and businesses. (Mrs *Rylah*)

To which the following amendment has been proposed by Dr *Woodruff*, by leaving out all words after "That the House:-" and inserting instead:

- "(1) Notes that the Liberals repeatedly talk about the Marinus project and use it as a political wedge, particularly during election periods, despite the fact that they have not put forward a financing proposal or a position on who should finance the multi-billion project.

NOTICES OF MOTION AND ORDERS

- (2) Agrees that the project could cost in excess of current total Public Non-Financial Corporations Sector debt, and feasibility studies and prominent economists such as Saul Eslake have raised serious concerns about the viability of the project, which have not been addressed by the State Government.
- (3) Notes that the Liberals passed legislation to set wholesale electricity prices at a rate higher than projected, leading to energy bills decreasing by less than they would otherwise would have.
- (4) Notes with alarm that the Liberal Government continues to allow Entura to engage in profiteering from immoral projects overseas such as the Karuma hydro power project Uganda, which has been linked to killings and other human rights violations.
- (5) Condemns the Liberal Government for their lack of honesty, ethics or plan in their handling of the Energy portfolio.” (Next Speaker: Minister for Energy)

- (2) Further acknowledges that homelessness is often linked to other challenges such as mental illness, and the Tasmanian Government is focusing on the integration of mental health services to provide more holistic support and greater independence for clients.
- (3) Further acknowledges that Tasmania’s Affordable Housing Strategy is responding to the current challenges in the housing market by boosting supply across a spectrum of needs.
- (4) Further acknowledges that the Affordable Housing Action Plan Stage 2 and the additional investment in funding is another positive step towards continuing this momentum.
- (5) Recognises that all levels of government have a role to play in addressing the supply and demand in our housing market.
- (6) Call on all Members to work together to put the needs of Tasmanians above political point scoring. (Next Speaker: Minister for Housing)

9 Economic Growth: Adjourned Debate on the Question proposed on Wednesday, 16 October 2019 by Mrs *Rylah*—That the House:—

- (1) Acknowledges that the Hodgman majority Liberal Government has a long-term plan to keep our economy strong, carefully manage the Budget, help create jobs, and invest even more in essential services.
- (2) Notes that, at the State election in March 2018, Tasmanians saw the progress that had been made in delivering our plan, across our State, in four years under a majority Liberal Government, and they supported it again.
- (3) Recognises that a vital part of the plan was to first and foremost, restore business confidence and strengthen our economy.
- (4) Further notes that Tasmania’s businesses are now measured as the most confident in the nation, that Tasmania has the best business conditions in the nation and that Tasmanian small businesses are the powerhouse of our economy.
