Dear Members of the Committee,

I have seen too many times, the adverse affect gambling on pokies has on communities, and it can be catastrophic to small regional communities such as Break O'Day region. I have seen little old ladies lose their family homes and life savings, instead of recieving community support for their loneliness and self worth issues. Millions of dollars go through these machines every year. They are too easily accessed in the regional areas and become a crutch for lonly individuals..

Yours sincerely, Denise Kylie Wright
