Notes:

- Industry is defined based on Skills Tasmania's mapping of specific qualifications to industry categories.
- 'Committed funds 2023' refers to the sum of:
 1. Total funding commitments with RTOs through Skills Tasmania's contestable programs (based on funding agreements made with RTOs in 2023, covering training in 2023 and beyond)
 2. TasTAFE Deed funding committed for 2023 (which is assumed to be paid in the same year).
- Unit-only enrolments are excluded from the 'program enrolments' figure, in line with the standard NCVER methodology.
- 'Other industries' include all industries excluding those listed above, such as in nursing and dental, retail, automotive, wholesale, and services sectors such as hairdressing and beauty.
- 'Generalist' includes qualifications that are not able to be mapped to a single industry, such as project management, general business skills, work health and safety or foundation skills.
