Dear Premier

### **Inquiry into the TT-Lines Spirits Project – Public Hearing (18 November 2024)**

The Committee resolved to write to you to express the Committee's disappointment and frustration in you not meeting your obligation as a witness to attend the Committee's public hearing scheduled for Monday, 18 November 2024. This was despite your attendance being confirmed on a number of occasions: first in your role as Minister for Infrastructure and subsequently as Premier following the appointment of the Hon Kerry Vincent MLC as Minister for Infrastructure.

I remind you that this Committee takes its powers, obligations and responsibilities under the *Public Accounts Committee Act 1970* (the Act) very seriously. For your convenience, I note that under section 7(1) (Evidence before Committee) of the Act:

*The Committee may summon witnesses to appear before it to give evidence and to produce documents, and for that purpose has all the power and authority of a Select Committee of the House of Assembly.*

I refer you to the attached chronology and the fact the Committee has respectfully worked with you and your staff to accommodate your appearance before the Committee over the past four months. Your late notification to me on the evening of 17 November 2024, indicating your inability to attend 'due to your busy schedule', was found to be unacceptable in the circumstances. Further, the Committee notes you made a public statement indicating your non-attendance was due to the fact that you are no longer the Minister for Infrastructure, which was contrary to the advice that you provided to me.

The Committee notes that you have not at any time refused to appear before the Committee and takes comfort that you have agreed to attend a new public hearing on 29 November 2024. Should similar circumstances of non-attendance to the Committee's public hearings occur in the future, the Committee may report the same to Parliament.

I look forward to your attendance and continuing assistance in this Inquiry.

Yours sincerely

A handwritten signature in black ink, appearing to read 'R Forrest'.

**Hon Ruth Forrest MLC**  
**CHAIR**
