24 November 2026

Dear Ms Ogilvie

Thank you for your question in Parliament on 17 November 2026 on behalf of your constituent Steve, in relation to the development of the Glenorchy Sports Centre. I am pleased to say there is certainly strong community interest in the new Glenorchy Sports Centre and can advise construction is progressing exceptionally well.

I am advised the facility is currently expected to be completed in the first quarter of 2027, which would see the project delivered ahead of the original construction schedule. Importantly, construction milestones continue to be met, with works progressing efficiently across the site. I also understand the project remains on budget, with delivery continuing within the Government's approved funding envelope for this $28 million investment.

Once complete, the Glenorchy Sports Centre will provide four indoor multisport courts, modern community facilities and seating for more than 600 spectators, helping to meet the growing demand for indoor sport and recreation opportunities in Hobart's northern suburbs.

This is a significant investment in community sporting infrastructure, and we look forward to delivering this outstanding facility for local clubs, schools and the wider community.

Once again thank you for your constituent's interest in this exciting development.

Yours sincerely

Hon Nick Duigan MLC
Minister for Sport
