## CASCADES PAUPER ESTABLISHMENT:

REPORT FOR 1877.

Laid upon the Table by the Colonial Treasurer, and ordered by the House to be printed, July 16, 1878.

## CASCADES PAUPER ESTABLISHMENT.

Cascades Pauper Establishment, 31st December, 1877.

## Sir,

I HAVE the honor, by direction, to forward herewith the Annual Report, showing the working of the Establishment for the year ending 31st December, 1877.

On the 1st April I relieved Mr. A. H. Boyd, and on the 11th of the same month the Female Prisoners were transferred to the Gaol, Campbell-street. The building was thoroughly lime-washed and painted throughout, and all necessary alterations made for the reception of the Paupers and Insane Patients from Port Arthur. That portion of the building formerly occupied by the Prisoners was fitted up for the use of the Paupers; the mess-room brick-nogged and plastered, and appropriated as a dormitory. In the Laundry a new floor put down, and fitted up as a sick-ward for men suffering from ulcers, &c. The Wards formerly used for dry stores and offices cleaned out and converted into dormitories, thus giving total sleeping accommodation for 390, allowing 600 cubic feet for each, with the exception of 31 cells in H. Division. The remainder of the old Prison appropriated to the refractory Lunatics. The number of Paupers on the 1st April was 206; received from Port Arthur during the month, 81. I found the Hospital patients much neglected, from the want of proper attendance; the attendants were selected from amongst the Paupers, a class, as a rule, totally unsuited for such work,—being too infirm, and otherwise quite incapacitated from rendering the assistance required by the unfortunate old men placed under their care. This I represented to the Government, and recommended that effective men be employed. It was approved; and in a very short time a marked improvement was observable, both in the state of the patients and wards, without any additional cost. I had screens placed in front of the erath-closets for privacy; the copper-house, in late Female Division, fitted as a bath-room. The messing accommodation very detective; I recommended that a glass front should be put to the room, as in its present condition the old men are exposed to the weather in all seasons. The cook-house is also defective, much too small, and badly ventilated. I brought this under the notice of the Government, pointing out how it could be remedied. T

So much work had to be got through, in the way of preparations, for the reception of the Paupers and Lunatics, with so little time to do it in, that agriculture was, to a great extent, neglected.

The additions and alterations effected in the Lunatic Division I leave for the Commissioners to mention in their report.

I beg to annex the under-mentioned Returns :---

- A. Return showing the number of Invalids in the Depôt on the 31st December, 1876; the number of admissions and discharges during the year; and the number remaining on the 31st December, 1877.
- B. Return showing the number and average age at death.
- C. Return showing the Receipts and Expenditure, and net cost per head, during the year.

I have the honor to be,

Sir,

Your obedient Servant,

R. ATKINS, Superintendent.

The Hon. the Colonial Secretary.
