TRAINING SCHOOL, CASCADES.

31st January, 1877.

SIR,

In accordance with the instructions contained in your letter of the 6th instant, I have the honor to submit my Report on the above establishment for the year ending 31st December, 1876.

I beg to annex the under-mentioned Returns:—

A. Return showing the number of Juvenile Offenders received and discharged, with number remaining on 31st December, 1876.

B. Return showing the number of Boys apprenticed.

C. Return showing the Receipts and Expenditure, and net cost per head.

It will be observed on reference to Return marked C, that the net cost per head of Boys for the year 1876 was £20 5s. 3¼d., as compared with £9 12s. 6¾d. for the previous year. The increase is caused in consequence of reduced numbers and the pay of a constable (charged against the Male Gaol for 1875) having been charged to the Training School for 1876.

The boys have been employed during the year in agricultural pursuits, milking cows, raising vegetables in aid of rations, green fodder for cattle and pigs, cleaning, scrubbing, &c.

It gives me much pleasure in being able to state, that during the past year the inmates have conducted themselves remarkably well; very few have been brought before me charged with petty offences, and these of the most trifling nature.

It is satisfactory also to find that absconding has decreased, the number being 6 as compared with 14 for the previous year.

The Boys are drilled for half an hour daily, and attend evening school for two hours,—the course of instruction being on Monday, Wednesday, and Friday, reading, writing, spelling, arithmetic, and tables; and on Tuesday, Thursday, and Saturday, reading, dictation, geography, arithmetic and tables.

In conclusion I beg to state that the Officers have been diligent in promoting the general welfare of this department.

I have the honor to be,

Sir,

Your obedient Servant,

A. H. BOYD, *Superintendent.*

The Sheriff.

SIR,

I HAVE the honor to enclose herewith a Minute recorded by His Excellency the Governor on the occasion of his visit to this establishment on the 14th November last, as also a list of strangers, with their remarks, who have visited during the year.

I have the honor to be,
Sir,

Your obedient Servant,

The Hon. the Colonial Secretary.

A. H. BOYD, Superintendent.

Cascades, 31st January, 1877.

COPY of Minute recorded by His Excellency the Governor, on the occasion of his visit to this Establishment on the 14th November, 1876.

I HAVE found everything at the Cascades Establishment, on my visit to-day, as neat and well-ordered as circumstances and the arrangement and character of the buildings will permit. I should be glad to see an open balcony constructed in front of the Invalid Hospital Room, as suggested by the Superintendent. It would, doubtless, greatly conduce to the comfort and health of the Invalids. My visit was not by appointment, but unannounced. No complaint against Officers was made by any of the inmates in reply to my enquiry, excepting one, which appeared to be clearly unfounded.

(Signed) FRED. A. WELD, Governor.
