- (2) Further notes the US Capitol insurrection in Washington, where the heart of American democracy was violently invaded after Donald Trump and senior Republicans repeatedly lied about the result of the 2020 Presidential Election.
- (3) Acknowledges the push for democratic reform in Thailand, where tens of thousands of people have taken to the streets to call for change, and the Government has responded in increasingly repressive ways.

- (4) Further notes the Housing wait list was at its lowest level in a decade under a Green Minister.
- (5) Further understands that while building new homes is an essential way of increasing supply, regulating whole-of-house short stay accommodation is also critical.
