ELECTRICITY SUPPLY INDUSTRY AMENDMENT BILL 2010

- The Electricity Supply Industry Amendment Bill 2010 will amend the *Electricity Supply Industry Act 1995* by repealing the expiry clause relating to Division 3 of the Act.
- This Division allows the Minister responsible for this part of the Act, currently the Treasurer, to establish, by way of a Ministerial Notice, principles to be followed by Hydro Tasmania in the bidding of Basslink and the making available of revenues from the transfer of electricity between Tasmania and Victoria through Basslink.
- The Bill will ensure that Division 3 remains in the Act after 31 December 2010.
