Subject: Submission to the Joint Select Committee on Future Gaming Markets

Dear Members of the Committee, It is time to take a stand on the issue of pokies in pubs and clubs. There is nothing healthy in gambling, with many families affected by addiction to this form of social activity. The social fall out for those who are addicted to this far outweighs the entertainment for those who are not addicted. Please make a stand and start to clean up this state in regards to gambling.

Yours sincerely, Helen Rayner
