Subject: Burnie Court Complex Relocation Proposal

Sent from my iPhone

To whom it may concern
Dear Sir or Madam

I am very disappointed that The Attorney General Honourable Ms Elise Archer MP announces without any public consultation or consideration of residents of Burnie that the Burnie Court is to be relocated to 16-20 Mooreville Rd Burnie

Our family relocated to Burnie in 1979 and after careful consideration we chose to purchase a house in Hambledon Avenue as it was close to
Burnie Primary School
Hellyer College
TAFE College
University of Tasmania
Umina Park Aged Care Facility
and North West Regional Hospital

Never in my wildest dreams would I have imagined that in the future the University would relocate to the city and the Burnie Court move from 38 Alexander Street to our suburban area.

I believe it is essential for the Burnie Court to remain in the city area to ensure access for all court attendees to be in close proximity to their lawyers and other support services

Some of these are

Victim Support Services - Reece House

North West Legal Aid - Alexander Street

Tasmanian Aboriginal Legal Service and Health Service - Alexander Street

Tenants Union and Housing - Alexander Street

Women's Legal Services - 60 A Wilmot Street

Justice of Peace -service currently at City Burnie Court

Centrelink - Marine Terrace

Wellways Mental Health- MountStreet

Headspace - Mount Street

Anglicare - Mount Street

Cornerstone Youth - Mount Street

Family Based Care - Mount Street

Catholic Care - Mount Street

Life without Barriers - Spring Strest

Burnie Youth Drug and Alcohol Sevices - Spring Street

Mission Australia Disability Service

And most importantly our

Tasmanian Police Service

or

will an another Police Station be relocated to our Suburban area too

Traffic congested is another key concern -

this area already has 2 crossing guards supervising children accessing the primary school in morning and afternoon and a roundabout close to the proposed court

Public transport is abysmal in our area this would need to be addressed to ensure those attending court from all parts of the North West Coast could ensure they could attend Court on time

In my opinion this is a bad decision

I strongly oppose the Burnie Court Relocation from the Burnie CBD to Mooreville Road location and suggest that a committee review this decision and pursue vacant suitable properties that are currently available within the CBD .

Yours Sincerely

Mrs Suzanne Simpson
