Dear Committee Secretary

I write to raise my very strong opposition to the proposed \$750 million stadium at Macquarie Point.

I object to public funding going towards this project when the Tasmanians hospitals and schools are chronically underfunded and there are such long waiting lists for public housing.

I strongly oppose taxpayers' money being spent on entertainment and commercial sport (which can fund itself) over critical public services.

A stadium is absolutely the wrong priority for our state.

Sincerely,
Vicki Nelson
