Dear Committee Secretary

I write to outline my opposition to the proposed \$750 million stadium at Macquarie Point.

As a taxpayer I object to public funding going towards this project when thousands of Tasmanians can't get a home, more than 55,000 Tasmanians are on the health waiting list to see a specialist and the cost of living is making life harder for more and more Tasmanians.

The AFL shouldn't be making Tasmanians pay for a new roofed stadium to have our own Tasmanian team. **No other state has been made to do this.** Tasmanians have not been consulted on the chosen site and I do not support the decision made by the government. The site is so close to the Cenotaph and will be overpowering.

The government has not presented a business case that outlines the merits of this project or explained why our state should be burdened with further debt when the state already has two AFL standard stadiums, one in the north and one in the south that will now go to waste.

I do support the idea of a Tasmanian AFL team but do not support the AFL conditions of "must have a \$750m stadium". It's just not on. Let's support the Jack Jumpers and forget the AFL until they can be reasonable.

Another stadium is the wrong priority for our state.

Kind regards  
Noeleen Caplice
