Dear Ms Rosol

In response to your question asked on behalf of Andrew in the House of Assembly on the 8 May 2025 I can advise there are many relevant and eligible CPD opportunities available for all licensed practitioners. For example, there will be statewide plumbing and gas-fitting forums held this year presented by Master Plumbers Tasmania and Consumer, Building and Occupational Services (CBOS).

Consumer, Building and Occupational Services (CBOS) is currently reviewing the CPD Determination for plumbing, gas, and electrical licence holders and has been actively engaging with stakeholders throughout the process.

All licensed plumbers, electricians and gasfitters were invited to provide comment on the proposed CPD Determination. In addition, CBOS held a Building Services Provider Licensing Forum in April, and CPD was discussed at that event. Feedback provided in the submissions will be carefully considered before further consultation is undertaken on draft amendments to the CPD Determination. This further consultation is likely to include face-to-face sessions with stakeholders.

I trust this information is of assistance.

Yours sincerely
