Dear Michael,

Request for Public Accounts Committee Review of Major Stadium Proposals

Further to your correspondence dated 13 October 2025 and my reply on 15 October 2025, the Committee has sought advice as to the Committee's remit under the *Public Accounts Act 1970* to deal with your request to 'undertake a detailed comparative review of all the stadium-related infrastructure proposals'.

The Committee is unable to proceed with your request as the broad scope falls outside its legislative power to do so.

Thank you for considering the Committee in this instance.

Yours sincerely,

Hon Ruth Forrest MLC
