Subject: Submission to the Joint Select Committee on Future Gaming Markets

Dear Members of the Committee,

I was dismayed to hear of yet a further poker machine approval. Tasmania has a percentage of poorer people, some because of a gambling addiction. We see the effects in such things as Christmas appeals and Breakfast clubs for needy families. If going out for a hotel meal, I prefer and choose, venues which do not have poker machines. Please don't make it any more difficult for people to budget their income. PLEASE limit poker machines to casinos."

Yours sincerely, Lynette A Jessup
