

Glenorchy War Memorial Pool – Re-Opening

Mr BEHRAKIS question to MINISTER for SPORT and EVENTS

During the election, the government announced \$5 million to reopen the Glenorchy War Memorial Pool. I have been contacted by councillors from Glenorchy Council seeking an update on timelines of when they may expect the important works to be able to commence. When will the Glenorchy Council receive the funding and be able to start actioning works so that residents can once again access the pool?
