

Glamorgan-Spring Bay Online Access Centre

Ms BUTLER question to MINISTER for EDUCATION

Are you aware the that online access centre in Glamorgan-Spring Bay has recently closed? Can you please outline the reasons for the closure, advise whether the closure will be permanent and outline what steps the government took to prevent the closure.

Given the funding arrangements for all online access centres expires in June 2025, can you provide a guarantee to regional communities that no more of these online access centres will close?
